This certificate issued to

Phoenix Air Worldwide Aircraft Services
100 Phoenix Air Drive, SW
Cartersville, GA 30120

certifies that the change in the

type design for the following product with the limitations and conditions therefor as specified hereon meet the
airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number: A20EU
Make: Fokker
Model: F-28 -1000

Description of Type Design Change: Installation of an Allied Signal TCA II Model No. CAS-67A, with Mode-S Transponders Model No. MST-67A in accordance with Phoenix Air Master Drawing List Report 99-1, Revision 1, dated February 19, 1999, or later FAA approved revision.

Limitations and Conditions: Phoenix Air FAA approved Airplane Flight Manual Supplement dated March 16, 1999, is required as part of this STC. "This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission."

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
